

Carlos Silva - Dracena

tom:

C

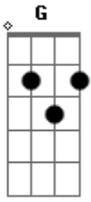

Dracena cidade milagre
 De estrada de ferro e de louvação
 És bela tão doce serena
 Te vejo morena em inspiração
 Teu cheiro é um cheiro canela
 Dracena tão bela tu és poesia

Beleza de charme garboso
 Ponte brilhoso dessa melodia
 Apita o apito do trem
 Janelas se abrem pra vê-lo passar
 Progresso emana beleza
 És santa proeza do imaginar
 Dracena
