

Carlos Silva - Meu Sertão

Tom: D
Intro: D E A D

Sou do sertão de uma terra tão bonita
Se você não acredita passe me acompanhar
Carro de boi ainda canta lá na serra

Riqueza da minha terra que não vai se acabar
E quando a chuva, vem beijar o meu torrão
Tem fartura no sertão tudo é verde pra se olhar
Nossa lavoura bailando na natureza
Faz tão bela a nossa mesa, senta aqui vamos jantar
(D E A D)
