

# Carlos Silva - Mirei o Norte

tom: **D**

Botei meus dois pés na estrada  
 Sonhos em mote, virou canção  
 Andei, por léguas tiranas  
 Bebi da fonte da dor paixão

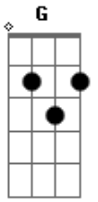

Pensei na sorte a me levar  
 E caminhei meio sem rumo  
 No desaprumo pra te encontrar  
 Sartei riacho de rio abaixo  
 Trouxe comigo a devoção  
 Fui na estrada, vida levada  
 Sonhos em mote, virou canção

Pisei fundo, mirei o norte
