

Carlos Silva - Mirei o Norte

tom: D

Botei meus dois pés na estrada
 Sonhos em mote, virou canção

Andei, por léguas tiranas
 Bebi da fonte da dor paixão

Pisei fundo, mirei o norte

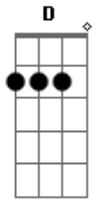

Pensei na sorte a me levar
 E caminhei meio sem rumo

No desaprumo pra te encontrar
 Sartei riacho de rio abaixo

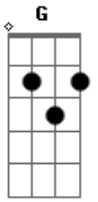

Trouxe comigo a devoção
 Fui na estrada, vida levada

Sonhos em mote, virou canção
