

Carlos Silva - Sonhando Boniteza

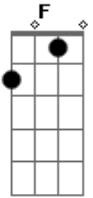

Am tom:
 Quando a gente sonha boniteza
 A vida rejuvenesce o viver
 O sonho se estende e chega ao céu

F G Am
 Um punhado de estrelas faz crescer
 E a imensidão dos espaço se agiganta
 Dm E Am
 E um menino começa a cantar
 Dm E Am
 Faz um verso rimado para as estrelas
 Dm E Am
 Clareando nos seus olhos o sonhar
