

# Carlos Silva - Um Novo Amor

tom:

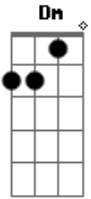

A solidão fez do seu rosto Um retrato de tristeza  
 Lembranças de um, viver Que hoje só te faz chorar  
 Das tardes que beijavam o sorriso  
 Das noites que embalavam corpos nus

Ao som de uma musica tão bela  
 Que hoje ao ouvir, te faz chorar  
 Levante os olhos veja a luz no horizonte  
 O mar de ontem trouxe ondas, renovadas  
 Esqueça o que te faz chorar, nessa tristeza  
 Ainda há tempo de buscar um novo amor
