

Carlos Silva - Um Novo Amor

tom:

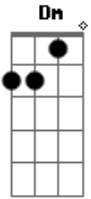

A solidão fez do seu rosto Um retrato de tristeza
 Lembranças de um, viver Que hoje só te faz chorar
 Das tardes que beijavam o sorriso
 Das noites que embalavam corpos nus

Ao som de uma musica tão bela
 Que hoje ao ouvir, te faz chorar
 Levante os olhos veja a luz no horizonte
 O mar de ontem trouxe ondas, renovadas
 Esqueça o que te faz chorar, nessa tristeza
 Ainda há tempo de buscar um novo amor
