

Carlos Silva - Vergel de Sonhos

tom:
C

"Dentro de mim vem as gaivotas

Livres de asas abertas

Com cores de primavera"

Dentro de mim

Nasceu um ramo de alegria

Um cacho de poesia

Um botão cheio de flor

Brotou na rama

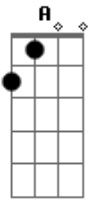

Um talo de bela rima

Que é a matéria prima
Desse vate cantador
Dentro do peito
Pulsa a inspiração
Um hino uma louvação
De fé crescente e de paz
E no vergel de sonhos
Nasce uma cantiga
Desde os tempos das antigas
Isso sim me satisfaz
