

# Carly Rae Jepsen - Both Sides Now

Tom: G  
Intro: G Am G D

G Am C G Bm C G  
Bows and flows of angel hair, and ice-cream castles in the air,  
C Am D  
And feather canyons everywhere; I've looked at clouds that way.  
G Am C G Bm C G G  
But now they only block the sun, they rain and snow on everyone,  
C Am D  
So many things I would have done, but clouds got in my way.  
G Am C G C G D  
I've looked at clouds from both sides now, from up and down,  
C G Bm C G  
And still somehow it's cloud illusions I recall;  
C D D D G Am G D  
I really don't know clouds at all.

G Am C G Bm C G  
Moons and Junes and Ferris wheels, the dizzy dancing way you feel  
C Am D  
As every fairy tale comes real; I've looked at love that way.  
G Am C G Bm C  
G  
But now it's just another show, you leave them laughing when you go,

C Am D  
And if you care don't let them know, don't give yourself away.  
G Am C G C G  
I've looked at love from both sides now, from give and take,  
C G Bm C G  
And still somehow it's love's illusions I recall;  
C D D G Am G D  
I really don't know love at all.  
Am C G Bm C  
Tears and fears and feeling proud, to say "I love you" right out loud;  
C Am  
Dreams and schemes and circus crowds; I've looked at life that way.  
G Am C G Bm  
But now old friends are acting strange, they shake their heads, they say I've changed.  
C Am D  
Well somethings lost but something's gained in living every day.  
G Am C G C G  
I've looked at life from both sides now, from win and lose,  
C G Bm C G  
And still somehow it's life's illusions I recall;  
C D D D G Am C D G  
I really don't know life at all.
