^C
I'm a happy mess

My fingers tingle

^{Am} ^G
I can't breathe until we're skin on skin

My life moves in perfect motion

Look at me the way you do

^{Am} ^G
Look at me the way you do

^C
Oh, look at me the way you do

^F
Look at me the way you do

^{Am} ^G
Look at me, look at me the way you do

^C
When you look at me the way you do

My fingers tingle

I can't breathe until we're skin on skin
