You name the day **G C**
 And I will pick the city **Em7 D**
 We'll fly away **G C**
 Til then, call me when you miss me **Em7 D**
 If you're asking if I'd really like to see you again **Am C**
 I say, oh just say when

[Same as first verse]
 Tell me that you feel it
 This you and me together

No one would believe me
 Even I cannot believe it

You kiss me like you mean it
 Oh baby, it don't get much better
 Would I like to see you again?

Darling just say when

You name the day
 And I will pick the city
 We'll fly away
 Til then, call me when you miss me
 If you're asking if I'd really like to see you again
 I say oh just say when

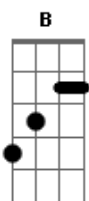

Two different worlds **Em7 D**
 I thought they'd keep us apart **C**
 I'm ignoring my head **Em7 D**
 Follow my heart **C**

Oh you pick the day
 And I will pick the city
 We'll fly away
 Till then, call me when you miss me
 I am willing to wait
 Cause I just gotta see you again
 Don't ask, no. just say when

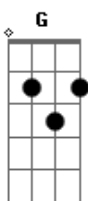

Just say when

I could take a picture
 Of you and me together
 No one would believe me
 No one would believe me
