

# Carly Rae Jepsen - Tonight I'm Getting Over You

Tom: F

I wanna smash your fears  
 And get drunken off your tears  
 Don't you share your smile with anyone else but me  
 I wanna touch your heart  
 I wanna crush it in my hands  
 Make you plead and cry as you give up all the lies

Pre Chorus:  
 We're not lovers, but more than friends  
 Put a flame to every single word you ever said  
 No more crying, to get me through  
 I'll keep dancing till the morning with somebody new

Chorus  
 (pause)  
 Tonight I'm getting over you  
 Tonight I'm getting over you  
 Tonight I'm getting over you  
 Tonight I'm getting over you  
 Over you, Over you

Break: F - Dm - Bb - F

Stuck in a real bad dream, and man it feels so new to me  
 Should be in your arms but I'm begging at your feet

 It's been a real hard night  
 Gm  
 And I just hold my pillow tight  
 Bb  
 It won't love me back, no,

 It's not you and I

 We're not lovers

 But more than friends
