

Carly Rae Jepsen - Tonight I'm Getting Over You

Tom: F

I wanna smash your fears
 And get drunken off your tears
 Don't you share your smile with anyone else but me
 I wanna touch your heart
 I wanna crush it in my hands
 Make you plead and cry as you give up all the lies

Pre Chorus:

We're not lovers, but more than friends
 Put a flame to every single word you ever said
 No more crying, to get me through
 I'll keep dancing till the morning with somebody new

Chorus
 (pause)
 Tonight I'm getting over you
 Tonight I'm getting over you
 Tonight I'm getting over you
 Tonight I'm getting over you
 Over you, Over you

Break: F - Dm - Bb - F

Stuck in a real bad dream, and man it feels so new to me
 Should be in your arms but I'm begging at your feet

F
 It's been a real hard night
 And I just hold my pillow tight
 It won't love me back, no,
 It's not you and I

We're not lovers
 But more than friends
 Put a flame to every single word you ever said
 No more crying, To get me through
 I'll keep dancing till the morning with somebody new

(Pause)
 Tonight I'm getting over you, Tonight I'm getting over you
 Tonight I'm getting over you, Tonight I'm getting over you
 Over you, Over you
 Tonight I'm getting over you, Tonight I'm getting over you
 Tonight I'm getting over you
 Over you, Over you
 We're not lovers, But more than friends
 Put a flame to every single word you ever said
 No more crying, To get me through
 I'll keep dancing till the morning with somebody new
 Tonight I'm getting over you
