G Dm7
 Come into the Garden, its magical trees

 dapple the sun as they sway with each lazy breeze

 Pretend you're a child with nothing to hide,
 C D C
 then we'll join hands and let the universe swing wide

Dm7 C
 We've been sleeping all our lives, At last we can open our eyes.

Verse

Our gates are unguarded I've stolen the key
 To where everything holy inside us is free to run free
 To smell and taste and touch and see

Chorus

Hold me, here we can soon be born again
 Trust me, believe we can still be born again
 We've been sleeping all of our lives, At last we can open our eyes
