

# Carmen - Friends With Benefits

Tom: **D**

Lay down on the grass  
 And play that song we had  
 On that playlist  
 You know just what you did to me  
**D**  
 You know that we should never fight again  
**D**  
 Do things on your own  
 And tell me, ain't it fun?  
 Are you feeling sinister now?  
 You know just what you did to me  
**D**  
 You know that we should never fuck again  
 And baby  
 It's happened once again  
 You stay with your lovers, I stay with my friends  
 Well, I don't like one-night stands  
 Look for me when you're done  
**D**

Focus objectives

You're always optimistic  
 So, what is this noise about?  
 You know just what you did to me  
**D**  
 You know that we should never meet again  
 And baby (oh fuck)  
 It's happened once again  
 You stay with your lovers, I stay with my friends  
**A**  
 Well, I don't like one-night stands  
 Look for me when you're done  
**D**  
 Whoa, oh oh  
 Whoa, oh oh  
 Whoa, oh oh  
 Whoa, oh oh  
 It gets down, down, down... oh oh oh  
**D**  
 Whoa, oh oh  
 Whoa oh oh oh

## Acordes
