

Carmen - Friends With Benefits

Tom: **D**

Lay down on the grass
 And play that song we had
 On that playlist
 You know just what you did to me
D
 You know that we should never fight again
D
 Do things on your own
 And tell me, ain't it fun?
 Are you feeling sinister now?
 You know just what you did to me
D
 You know that we should never fuck again
 And baby
 It's happened once again
 You stay with your lovers, I stay with my friends
 Well, I don't like one-night stands
 Look for me when you're done
D
