## **Carmen - Meeks**

Tom: G Intro: D Gb G Gm D Let's take it back to where we were Gb With simple love and hot temperatures G My friends says I'm away too much Gm So I grab my stuff and give it up D I'm driving around the city we fell in love But now it's not so pretty G 'Cause you're not here by my side Gm I thought you said you'd stay here 'till you die But I stick to the plan, the one you demanded Gb It's a part of a sin, I want simple things G Instead we're stuck in a parallel universe that was written just for her D Why did you bring me to this messed up party? They are playing our song, and I want to go home G But my ride is gonna have to stay a little bit more 'Cause her iPhone got some white lines And I could easily ask for their opinions But they always find the worst They always find the worst Gm 'Cause they only see the worst things in us Gb And I could easily ask for their opinions G But they always find the worst They always find the worst Gm 'Cause they only see the worst things in us (D Gb G Gm) D Well, now I know that it's too late

## Acordes

I will not think you're misbehaved G It's a part of a system that we can't control Gm And I'm pretty sure they already know That you're often around new people Gb We can't keep up with, but it's not our business G I don't regret a thing I've said Gm But I'm afraid they forget my name But don't you dare to say I have changed Gb I still the same guy, depressed and high I just want you to know that the time we were together Gm You made me feel so good D But I understand if you never want to talk to me again Just don't pick up your phone around 10 PM Gm 'Cause it's probably me in my parents car again Gb And I could easily ask for their opinions But they always find the worst They always find the worst Gm 'Cause they only see the worst things in us Gb And I could easily ask for their opinions But they always find the worst They always find the worst Gm 'Cause they only see the worst things in us D Gb And I could easily ask for their opinions G But they always find the worst They always find the worst 'Cause they only see the worst things in us Gb And I could easily ask for their opinions But they always find the worst They always find the worst Gm 'Cause they only see the worst things in us
