Carmen - Settle

```
(forma dos acordes no tom de D )
Capostraste na 4º casa
Intro: D A
Let's look at pictures from 2013
And talk out of our asses
Of who we used to be
You've been inside my thoughts ever since
I could even write you a sin
If you're sick of the tragedies
Of this town
I feel down
Playing EarthBound
And not wanting to be found
I think you've had enough
From that phone call
I remember that you said that we should
Settle down, settle down
Settle down, I'm on my way
Maybe we should
Settle down, settle down
Settle down, I'm on my way
```

Acordes

```
I miss those afternoons we spent on the couch
Hiding from your dad
While he walked around the house
I probably think about this too much
But how much is too much?
We broke up
I broke down
I'll shut up
And make sounds
But you won't even care
If I sing about the colors of your hair
(I wish I could live this again)
So I could write the same song for the same girl
From the same five years ago, but won't you
Settle down, settle down?
Settle down, I'm on my way
Maybe we should
Settle down, Settle down
Settle down, I'm on my way
Oh, won't you
Settle down, settle down?
Settle down, I'm on my way
( D A )
