

Carne Doce - Irmãs

Tom: C

m
Desculpa a demora

Outra vez me perdi

Te buscando no espelho

Uma líder morena, irmã

Quando eu era pequena

Quando ontem cresci

Cada troca de pele

Eu pensava em ti, irmã

Rival e heroína

Dos diários que eu roubei pra ler

Pra aprender as femininas invenções

Pra feminina ser como você

Blush nas bochechas e na zona T

Homem se cata pelo estômago

E se devora pelas beiras

Força nos quadris

Perfume nas orelhas

Ataque nos cabelos

Dance com seus medos

Tarde ou cedo seu jeito de ser mais feliz

Vai pedir bis

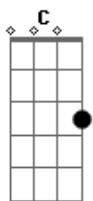

Vai te acertar

Como uma tarde bonita

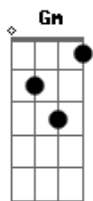

Rainha, irmã
