Tom: G

G D7 Em G C
 Just look at you sitting there
 You never looked better than tonight
 D7 Em G C
 And it'd be so easy to tell you I'd stay
 Am C D7
 Like I've done so many times

G D7 Em D7 C
 I was so sure this would be the night
 Am C D7 G
 You'd close the door and want to stay with me
 D7 Em D7 C
 And it'd be so easy to tell you I'd stay
 Am C D7
 Like I've done so many times

C D7
 Don't fall in love with a dreamer
 Bm Em
 Because he'll always take you in
 Am C D7

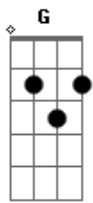

Just when you think you've really changed him

G Bm
 He'll leave you again
 G C D7
 Don't fall in love with a dreamer
 G Bm Em G
 Because he'll break you every time
 C D7 G
 So put out the light and just hold on
 C D7 G
 Before we say goodbye

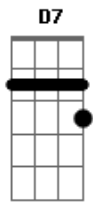

D7 Em
 Now it's morning and the phone rings
 D7 C
 And ya say you gotta get your things together
 G D7 G
 You just gotta leave before you change your mind
 D7 Em D7 C
 And if you knew what I was thinking girl I'd turn around
 G Am C Em D7
 If you'd just ask me one more time

D7 G
 Before we say goodbye
