Tom: G

G D7 Em G C  
 Just look at you sitting there  
 You never looked better than tonight  
 D7 Em G C  
 And it'd be so easy to tell you I'd stay  
 Am C D7  
 Like I've done so many times

G D7 Em D7 C  
 I was so sure this would be the night  
 Am C D7 G  
 You'd close the door and want to stay with me  
 D7 Em D7 C  
 And it'd be so easy to tell you I'd stay  
 Am C D7  
 Like I've done so many times

C D7  
 Don't fall in love with a dreamer  
 Bm Em  
 Because he'll always take you in  
 Am C D7

Just when you think you've really changed him

G Bm  
 He'll leave you again  
 G C D7  
 Don't fall in love with a dreamer  
 G Bm Em G  
 Because he'll break you every time  
 C D7 G  
 So put out the light and just hold on  
 C D7 G  
 Before we say goodbye

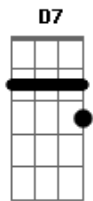

D7 Em  
 Now it's morning and the phone rings  
 D7 C  
 And ya say you gotta get your things together  
 G D7 G  
 You just gotta leave before you change your mind  
 D7 Em D7 C  
 And if you knew what I was thinking girl I'd turn around  
 G Am C Em D7  
 If you'd just ask me one more time

D7 G  
 Before we say goodbye
