

# Carol Andrade - Sol Brilhando

Tom: A

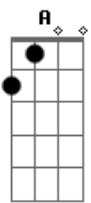

Hoje vai ter que dar  
 Oh oh  
 Hoje vai ter que dar  
 Não quero saber qual vai ser tua conduta  
 Só vou te dizer: vá a luta!  
 A tristeza vai ter que acabar

Sol bri - lhando, acorda!  
 Refletindo você  
 Foi-se a noite pra cicatrizar os teus porquês  
 Teus porquês  
 O dia vai saber te dar, dar, dar  
 O que você souber colher  
 Mande a tristeza para lá, lá, lá  
 E põe valor no teu viver
