 You've been on my mind for a while now
 Tryna get you off 'cause this ain't right now

Abm
 You said it was a vibe for the time being
 It was nothing more but I just couldn't see it

Dbm7
 This is not a song for the whole world
 Felt like it could've been us against the whole world

Abm
 Maybe you were mine and I was your girl
 Whatever happened to the time that we spent

Dbm7
 Sober... I take back what I said

B7M
 I'm sittin' with this love hangover
 And boy it's hurtin' my head

Dbm7
 It's the middle of october
 And we just came to an end

B7M
 I'm just sorry that there ain't no time left

Dbm7
 You and I we're over
 Me and you are done

B7M
 When I wanted to be closer
 You just wanted to run

Dbm7
 Though I know it's no ones fault
 If I've learned anything at all

B7M
 With us, no matter how I add it up
 One plus one is none
 (B7M)

Dbm7
 I've been at this party for some time now
 Sippin' on bacardi 'til it runs out

Abm
 You are in the corner with your head down
 I don't even wanna know what that's about

Dbm7
 'Cause you're the one that's always gettin' too wasted
 And I'm the one that's never that intoxicated

Abm
 Tonight I'm in my feelings, oh I'm faded
 But I don't wanna think about the complicated

Dbm7 B7M
 Oh your love got me feeling like I can't

Dbm7
 Get up, wishing for it but it never lasts

B7M
 I thought we'd be together
 Oh it ended so fast

Dbm7

 Parapapa Parapa Parapapa Paratha
