            Gbm                                  D
That you        found a girl and you're       married now
A                              Dbm
   I heard that your dreams came true

Guess she gave you things I didn't give to you
A                              Dbm
Old friend, why are you so shy ?
               Gbm                      D
It ain't like you to hold back or hide from life

    E                                   Gbm
I hate to turn up out of the blue uninvited

But I couldn't stay away, I couldn't fight it
    E                                      Gbm

         A                       E        Gbm    D

       Gbm                          D
Only       yesterday was the time of our lives
                 A                        - Dbm
We were born and raised in a         summer haze
           Gbm                          D
Bound by the surprise of our glory days

E                                   Gbm
I hate to turn up out of the blue uninvited
