

Carol Cunha & Roberto Brandão & Inácio Pinheiro - Chegou o Bicho

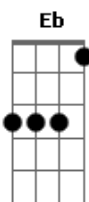

Tom: Eb

Chegou o bicho pra alegrar a nossa festa...!
 Aprese o passo agarradinho tenho pressa...!
 Sou carrapicho no teu corpo vou colar
 E vou mexendo sacudindo todo mundo
 Já não importa se é Dama ou Vagabundo
 É carnaval todo mundo quer brincar
 No embalo dessa onda viro presa
 Viro bicho, Viro mesa
 Viro copo sem parar
 No embalo dessa onda viro presa
 Viro bicho, Viro mesa

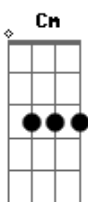

Viro copo sem parar

Corre, corre, corre...!
 Corre...! Lá vem o bicho...!
 Pega, pega, pega...!
 Meu bicho quer morder teu bicho.
 Corre, corre, corre...!
 Não tem osso, mas não é mole.
 Pega, pega, pega...!
 Cuidado com o que tu bole
 Bole, Bole, Bole, Bole...!
 Hoje o mundo vai falar
 Bole, Bole, Bole, Bole...!
 Ajoelhou tem que rezar
