

Carol Cunha - Em Versos

Tom: D

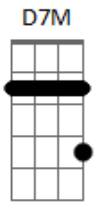

Me fiz em versos pra você cantar
 Criei palavras tentei definir
 O que eu só sei sentir
 Me fiz estrada pra você passar
 De palhaço caso queira rir
 Eu faço tudo pra ficar
 Perto de ti
 Volta sou tua metade precisando de carinho
 Sou vagalume pontuando teu caminho

Sou estrela guia
 Vivo pra te iluminar
 Volta sou mão carente
 Que te quer sempre pertinho
 Sou a calma de um voar de um passarinho
 Apaixonado, louco pra te namorar
 Criei momentos na imaginação
 Gritei Te Amo em plena multidão
 Eu faço tudo pra chamar tua atenção
