

Carol Cunha - Me Leva

Tom: Eb

Essa saudade chega assim tão de repente

Envolve a gente sem nem mesmo avisar

O que vai fazer

Se vai partir ou vai ficar

Madrugada entra fria pela ca as

Rouba o sono fala tudo e não diz nada,

Que possa mudar o teu jeito de amar

Me le va... Me leva daqui me le va

E faz eu sentir maravilhas

Entrego meu mundo pra ti

Me le va me leva daqui me le va

E faz eu sentir que sou tua

Encosta tua boca em mim.

Lembro a tua mão percorrendo o meu corpo

Lembro o desejo despontando em teu olhar

Louco de prazer, sem medo de sofrer

Só querendo amar

E na loucura nossos corpos tão sedentos

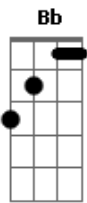

Cheios de medo encorajados pelo tempo

Não sabem o que fazer

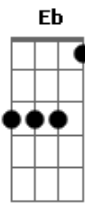

Se fogem do prazer

Ou ficam e aprendem amar.
