

Carol Kidd - A Nightingale Sang In Berkeley Square

Tom: G

Tom: Sol Maior (G)

Intro: d.: G Em Am7 D7 G Em Am7 D7

That certain night, the night we met
 There was magic abroad in the air
 There were angels dining at the Ritz
 And a nightingale sang in Berkeley Square
 I may be right, I may be wrong
 But I'm perfectly willing to swear
 That when you turned and smiled at me
 A nightingale sang in Berkeley Square
 Bridge
 The moon that lingered over London town
 Poor, puzzled moon, he wore a frown
 How could he know we two were so in love
 The whole darn world seemed upside down

The streets of town were paved with stars
 It was such a romantic affair
 And as we kissed and said "Goodnight"
 A nightingale sang in Berkeley Square
