When you call, I come running right over the edge
       Fm        G7
And I'm falling, ooh
        Cm                     Ab
Got me chasing these eight letters, three words to say
     Fm         G7
I'm all in

[Refrão]

Don't you know, baby
Eb        Cm           Ab
I would give you the world?
                         Fm
But you take it from me
              Eb        Cm
Can't you see I would do
     Ab                Fm
Oh, everything for you?
                  Eb              Cm
I'd steal you the moon, the sun, the stars, every one
     Ab                      Fm
If you would just say I'm your girl
             Eb        Cm                 Ab        Fm
I'd give you the woooooorld, I'd give you the world
