tom:

D (forma dos acordes no tom de Eb )  
 Afinação: Eb Ab Db Gb Bb Eb

[Primeira Parte] Eb Gm Bb

Everything is hard to do the first time  
 But if I fall, it'll make me stronger  
 I'll get up and try again

[Pre-Refrão]

I will follow my dreams forever  
 Long as we'll be together  
 Through the storms and bad weather  
 You make me better

[Refrão]

If I believe I can do anything  
 I can move mountains, I can move mountains  
 If I believe I can do anything  
 I can move mountains, I can move mountains  
 If you're in need, know I'll be your friend  
 I can move mountains, I can move mountains, yeah  
 Anything the world throws at us, I'll be by your side  
 Till we make it out and everything's alright  
 No matter what, I will fight till the end  
 I can move mountains, I can move mountains, yeah  
 ( Eb Gm Bb )
