

Carole King - Where You Lead

Tom: C

Wanting you ^G the way I do ^C

I only want to be with you

And I would go

To the end of the earth

Cause darling, to me

That's what you're worth

Where you lead, I will follow

Anywhere that you tell me to.

If you need, you need me to

Be with you, I will follow

Where you lead.

If you're out on the road

Feeling lonely and so cold

All you gotta do is call my name

And I'll be there on the next train

Where you lead, I will follow

Anywhere that you tell me to

If you need, you need me to
Be with you, I will follow
Where you lead

I always wanted a real home

With flowers on the windowsill

But if you want to live in New York City

Honey, you know I will

I never thought I could get satisfaction

From just on man

But if anyone could keep me happy

You're the one who can

Where you lead, I will follow

Anywhere that you tell me to

If you need, you need me to

Be with you, I will follow

Where you lead

Oh, where you lead, I will follow

Anywhere that you tell me to

If you need, you need me to

Be with you, I will follow

Where you lead
