

Carole King - You've got a friend

tom:

A

Fm Fm C7 Fm C7

When you're down and troubled and you need some lovin' care
 And nothing, nothing is going right
 Close your eyes and think of me and soon I will be there
 To brighten up even your darkest night

Ab Ab7 Db

You just call out my name, and you know, wherever I am
 I come running to see you again
 Winter spring summer or fall, all you've got to do is call
 And I'll be there, yeah, yeah, yeah

Ab

You've got a friend

Fm C7 Fm C7

If the sky above you should grow dark and full of clouds
 And that old north wind should begin to blow
 Keep your head together, and call my name out loud
 Soon you'll hear me knockin' at your door

[Refrão]

Gb Db

Now ain't it good to know that you've got a friend
 When people can be so cold

Bb7 Db Gb7 Fm

They'll hurt you, and desert you and take your soul if you let them
 Oh yeah, But don't you let them
