

# Caroline Meksraitis - Somebody Else

tom:

Intro: C G Am7 Fadd9

C G  
I always tried to look good  
Am7 Fadd9  
When I knew I would see you

C G  
I used to think twice about what should I say  
Am7 Fadd9  
Or what should I do

C G  
I knew your favorite restaurants  
Am7 Fadd9  
The lyrics to your favorite songs

C G  
I used to try to love the things you love the most  
Am7  
I hope you know  
Fadd9  
It was cause of you

C G  
And maybe I tried too hard  
G  
To break apart too fast  
Am7  
I fell in love with the story  
Fadd9  
Without reading the rest  
C  
I've been crying on my bed  
G  
Should've predicted it myself  
Am7 Fadd9  
Your heart always belonged to  
Somebody else

( C G Am7 Fadd9 )

C G  
I bet she is perfect for you  
Am7 Fadd9  
She is so pretty and she seems so cool

C G  
I see the way that she makes you laugh  
Am7 Fadd9  
Wish I could too

C G  
And you probably take her to the places  
Am7 Fadd9  
I always thought we should've gone

C G  
You probably ask her to dance in the living room  
Am7 F  
To the sound of Elton John

C G  
And maybe I tried too hard  
G  
To break apart too fast  
Am7  
I fell in love with the story  
Fadd9  
Without reading the rest  
C  
I've been crying on my bed  
G  
Should've predicted it myself  
Am7 Fadd9  
Your heart always belonged to  
Somebody else

C G  
I would try to go to the beach in the summer  
Am7  
'Cause I knew you'd be there too  
Fadd9  
I would try to like going out to the parties  
C  
So maybe I could run into you  
G Am7  
I would change every little piece of me  
Fadd9  
So maybe you'd love me just a little bit  
C G  
But it never worked  
Am7 Fadd9  
Cause I'm not like her

C G  
And maybe I tried too hard  
G  
To break apart too fast  
Am7  
I fell in love with the story  
Fadd9  
Without reading the rest  
C  
One day I won't have to change  
G  
A single part of myself  
Am7 Fadd9  
When my heart belong to  
C  
Somebody else

## Acordes
