

Caroline Polachek - So Hot You're Hurting My Feelings

```
'Cause you're so hot it's hurting my feelings
                          tom:
                                                            [Refrão]
Intro: Db Ebm
Ah, ah, ah
                                                                          B Db
B Db Gb
                                                            I get a little lonely
Ah, ah, ah
                                                                  Ebm
   Db Fbm
                                                            Get a little more close to me
Ah, ah, ah
B Db Gb
                                                            You're the only one who knows me, babe
Ah, ah, ah
                                                            So hot you're hurting my feelings (Woo)
[Primeira Parte]
                                                                     Gb
                                                            Can't deal
                                 Db Ebm
Not like I'm counting the days (Ah, ah, ah)
                                                            [Ponte]
                         B Db
But it's been twenty-five (Ah, ah, ah)
                                                                         Db
                                                            Show me the banana, na na na na
You're out there killing the game (Ah, ah, ah)
                                                                         Db
                                                            Show me the banana oh oh oh
But damn, I miss you tonight (Ah, ah, mmm)
                                                                        Db
                                                            Show me the banana na na na na
[Pré-Refrão]
                                                                        Db
                                                            Show me the banana oh oh oh
And I'm out at a party, they're playing our song
                                                            [Pré-Refrão]
             Db
I cry on the dance floor, it's so embarrassing
                                                                            Db
                                                            And I'm out at a party, they're playing our song
Don't send me photos, you're making it worse
                                                             B Db
           В
                     Db
                                                            I cry on the dance floor, it's so embarrassing
'Cause you're so hot it's hurting my feelings
                                                                        Db
                                                            Don't send me photos, you're making it worse
[Refrão]
                                                                         В
                                                                                  Db
                                                            'Cause you're so hot it's hurting my feelings
I get a little lonely
                                                            [Refrão]
      Fbm
Get a little more close to me
                                                                          B Db
                                                            I get a little lonely
You're the only one who knows me, babe
                                                               Ebm B
                                                            Get a little more close to me
                       В
So hot you're hurting my feelings (Woo)
                                                            You're the only one who knows me, babe
Can't deal
                                                            (you're the only one who knows me babe)
[Segunda Parte]
                                                            So hot you're hurting my feelings (Woo)
With all the X-rated dreamin' (Ah, ah, ah)
                                                            Can't deal
Back on the coast-to-coast life (Ah, ah, ah)
                                                            So hot you're hurting my feelings (Woo)
                                  Db
You know I live for the hustle (Ah, ah, ah)
                                                            Can't deal
                             B Db
But damn, I miss you tonight (Ah, ah, mmm)
                                                            Ebm
                                                            So hot you're hurting my feelings (Woo)
[Pré-Refrão]
                                                            Can't deal
                Db
And I'm out at a party, they're playing our song
                                                            So hot you're hurting my feelings (Woo)
          Db
I cry on the dance floor, it's so embarrassing
                                                            Can't deal
            Db
Don't send me photos, you're making it worse
                       Db
