

Carpe - Intuição

tom:

Intro: Bb Dm7 F C

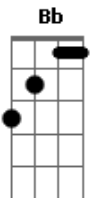

No asfalto viajando
 A roda molhando
 Vidro levantando
 Vejo o para brisa embaçar
 E vai pingando, molhando
 Ventando; secando
 Estrada engarrafando
 E aqui dentro ligo o meu ar
 Ligo o rádio
 Ta passando a Carpe tocando

E eu vou me empolgando
 Cantando ?Onde Você Está?
 Observando sentado
 A chuva cessando
 Ouvindo o barulho do pingo
 No meu teto solar
 E sigo viajando sem parar
 Sem saber onde eu quero chegar
 A vida vai mostrar meu caminho sem direção
 E vou segui-lo por intuição
 Intuição
