

The Carpenters - A Dream Is a Wish Your Heart Makes

Tom: C

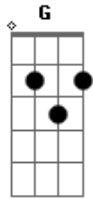

A ^G dream is a ^C wish your ^G heart ^G makes
 When you're fast asleep;
 In ^{Am} dreams you will ^{Fdim} lose your ^{Am} heartaches, ^{Am7}
 And ^{D7} whatever you ^{Am7} wish for, ^G you ^D keep.

Have ^G faith in your ^C dreams, and ^G someday ^G
 Your ^G rainbow will come ^{B7} smiling ^C through; ^C
 No ^{Am7} matter how your ^{F7} heart is ^{F7} grieving,
 If you ^G keep on ^{Bm7-} believing, ^{E7}
 The ^{Am7} dreams that you ^D wish will ^G come true.
