

# The Carpenters - Kiss Me The Way You Did Last Night

Tom: C  
Intro: C G C F7M F

C D F  
Serenade me by the light of the moon,  
C  
Let's sing and dance as lovers do  
G F  
When the morning light shines down on me  
G7 C  
With you, my love I want to be

As the stars go sailin' by  
G Am  
We can count them you and I  
Dm7 C  
We can make a wish when one falls from the sky

And my only wish would be  
Am7 D7  
That forever I would see

You movin' thru the darkness smiling that way at me  
F7M Em7  
Kiss me the way you did last, night  
G7 C

Lay down beside me, holdin' me tight  
F7M Em7  
Kiss me the way you did last night,  
C D C D  
Tonight until the morning light

C D  
Celebrate love while the feeling is new  
C C  
It's a moment that was meant for me and you  
D F  
If tomorrow never comes I won't care,  
F C  
I'll just love you tonight and all we share...

Repeat

C Eb  
Tonight, tonight and every night

(Kiss me)

C D Em7 D Adim7 Eb Ab Eb D7 C7 F G7  
G C C  
The way you did last night

Repeat

## Acordes
