Tom: F  
Intro: F Dm Gm C7 Dm C Dm

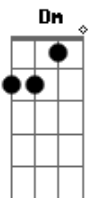

You know it doesn't seem that long ago  
That I had your love and let it go  
And I really let you down I know  
By losin' your love ww w.e- chords . com  
I guess it took a while for me to see  
What it is you really mean to me  
I've been as painful as I can be  
For losing your love  
I want you back in my life again  
I don't wanna to be your remember when

I want you back in my life again  
Let's go back to the place where it all began  
I've lived long enough your memory  
Now I know that I need you here with me  
There was a time I thought I had it paid  
But I didn't see the price that day  
That the price gets higher every day  
And all I can say is you're the only one  
Who knows my heart  
So lets take it right back to the start  
And I want her to play the part  
Of losing your love
