

Carrapicho - Festa do Boi Bumba

tom:
Cm

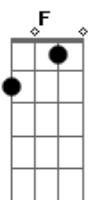

Tambores estão soando
Anunciando festa de boi
Guerreiros se preparando
Arcos e flechas para guerrear
As tribos na grande festa
Caras pintadas grito no ar
Bandeiras se agitando
Minha galera tá tudo bem
Eu grito e danço e canto

Bato palminhas pro meu bumbá
Cunha a moça mais bela
Vai te encantar
Vem suas lendas com os seus cantos
Tem a floresta com seus encantos
Pajé com seu ritual já vai começar
Heia, heia, la la la la la
Heia, heia, é festa do boi bumbá
Heia, heia, la la la la la
Heia, heia, entra na dança é festa do boi bumbá
