

Carrie Underwood - Angels Brought Me Here

Tom: Gb

(com acordes na forma de

(capo 2ª casa)

It's been a long and winding journey
But I'm finally here tonight
Picking up the pieces
Walking back into the light
To the sunset of your glory
Where my heart and future lies
There's nothing like that feeling
When I look into your eyes
My dreams came true
When I found you
I found you
My miracle

(refrão)
If you could see what I see
You're the answer to my prayers
And if you could feel
The tenderness I feel
You would know

E)

It would be clear
That angels brought me here

(bridge)
Brought Me here to be with you
I'll be forever grateful oh forever thankful
My dreams came true when I found you
My miracle

(refrão)
If you could see what I see
You're the answer to my prayers
And if you could feel
The tenderness I feel
You would know
It would be clear
That angels brought me here

And if you could feel
The tenderness I feel
You would know
It would be clear
That angels brought me here
