

# Carrie Underwood - Angels Brought Me Here

Tom: Gb

(com acordes na forma de  
Capostrate na 2ª casa  
(capo 2ª casa)

It's been a long and winding journey  
But I'm finally here tonight  
Picking up the pieces  
Walking back into the light  
To the sunset of your glory  
Where my heart and future lies  
There's nothing like that feeling  
When I look into your eyes  
My dreams came true  
When I found you  
I found you  
My miracle

(refrão)  
If you could see what I see  
You're the answer to my prayers  
And if you could feel  
The tenderness I feel  
You would know

E )

It would be clear  
That angels brought me here

(bridge)  
Brought Me here to be with you  
I'll be forever grateful oh forever thankful  
My dreams came true when I found you  
My miracle

(refrão)  
If you could see what I see  
You're the answer to my prayers  
And if you could feel  
The tenderness I feel  
You would know  
It would be clear  
That angels brought me here

And if you could feel  
The tenderness I feel  
You would know  
It would be clear  
That angels brought me here
