Hello you long shots, you dark horse runners

Hairbrush singers, dashboard drummers

C
Hello you wild magnolias just waiting to bloom **G**

D There's a little bit of all that inside of me and you **C** **Em**

Am **G** **F** **G**
Thank God even crazy dreams come true

C
I've stood at the bottom of some walls

G
I thought I couldn't climb

C
I felt like Cinderella at the ball

Em **G**
Just running out of time

C **D**
So I know how it feels to be afraid

Em
And think that it's all gonna slip away

D **C**
Hold on, hold on

Here's to you free souls, you firefly chasers
Street climbers, porch swingers, air guitar players
Heres to you fearless dancers shaking walls in your bedrooms
There's a lot of wonder left inside of me and you
Thank God even crazy dreams come true

Em **D**
Never let a bad day be enough

Em **D**
To go and talk you in to giving up

Em **D** **A7**
Sometimes everybody feels like you

C **G**
Oh, feels like you, just like you

I've met some go getters, some difference makers
Small town heroes and big chance takers
I've met some young hearts with something to prove
Oh yeah

Here's to you long shots, you dark horse runners
Hairbrush singers and dashboard drummers
Here's to you wild magnolias just waiting to bloom
There's a little bit of all that inside of me and you
Thank God even crazy dreams come true
Thank God even crazy dreams come true
