

# Carrie Underwood - I Told You So

Tom: **Ab**

(com acordes na forma de **G** )  
 Capotraste na 1ª casa  
 Intro: **G Bm Am**

Verso:

**G**  
 Suppose I called you up tonight  
**Bm**  
 And told you that I love you  
**C D G**  
 And suppose I said I wanna come back home  
**C G D Em**  
 And suppose I cried and said I think I've finally learned my lesson  
**Am D**  
 And I'm tired of spending all my time alone  
**G Bm**  
 If I told you that I realize you're all I ever wanted  
**C D G**  
 And it's killin' me to be so far away  
**C**  
 Would you tell me that you love me too  
**G D Em**  
 And would we cry together  
**Am D**  
 Or would you simply laugh at me and say...

Refrão:

**C G Bm C**  
 I told you so... Oh I told you so  
**Am D**  
**G D**

I told you someday you'd come crawlin' back and askin me to take you in

**C G Bm C**  
 I told you so... but you had to go  
**Am D**  
**G Bm G Bm Am**

And now I've found somebody new and you will never break my heart in two again

Verso:

**G Bm**  
 If I got down on my knees and told you I was yours forever  
**C D G**  
 Would you get down on yours too and take my hand  
**C**  
 Would we get that old time feelin'  
**G D Em**  
 Would we laugh and talk for hours  
**Am D**  
 The way we did when our love first began  
**G Bm**  
 Would you tell me that you've missed me too and that you've been so lonely  
**C D G**  
 And you've waited for the day that I returned  
**C**  
 And we'd live in love forever  
**G D Em**  
 And that I'm your one and only  
**Am D**  
 Or would you say the tables finally turned  
 Would you say...
