

Carrie Underwood - I Told You So

Tom: Ab

(com acordes na forma de Capotraste na 1ª casa Intro: G Bm Am

Verso:
 Suppose I called you up tonight
 And told you that I love you
 And suppose I said I wanna come back home
 And suppose I cried and said I think I've finally learned my lesson
 And I'm tired of spending all my time alone
 If I told you that I realize you're all I ever wanted
 And it's killin' me to be so far away
 Would you tell me that you love me too
 And would we cry together
 Or would you simply laugh at me and say...

Refrão:
 I told you so... Oh I told you so

I told you someday you'd come crawlin' back and askin me to take you in
 I told you so... but you had to go
 And now I've found somebody new and you will never break my heart in two again

Verso:
 If I got down on my knees and told you I was yours forever
 Would you get down on yours too and take my hand
 Would we get that old time feelin'
 Would we laugh and talk for hours
 The way we did when our love first began
 Would you tell me that you've missed me too and that you've been so lonely
 And you've waited for the day that I returned
 And we'd live in love forever
 And that I'm your one and only
 Or would you say the tables finally turned
 Would you say...
