

Carrie Underwood - Inside Your Heaven

Tom: G

G
I've been down
C
Now I'm blessed
G C
I felt a revelation comin' around
G
I guess it's right
C
It's so amazing
G C
Everytime I see you, I'm alive
Am
You're all I've got
D
You lift me up
Am C
The sun and the moonlight
D
All my dreams are in your eyes

Chorus:

G C
I wanna be inside your heaven
Am
Take me to the place you cry from
Am C D

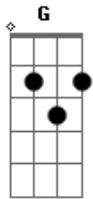

Where the storm blows you away
G C
I wanna be the one to hold you
Am C
Every bit of air you're breathing in
D
A soothing wind
G
I wanna be inside your heaven

Bridge:

Am C
When minutes turn to days and years
Am D
If mountains form I'll still be here
Am C D
Holding you until the day I die

I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be the one to hold you
Every bit of air you're breathing in
A soothing wind
I wanna be inside your heaven
