

Carrie Underwood - Some Hearts

Tom: D

I've never been the kind that you'd call lucky
 Always stumbling' around in circles
 But I must have stumbled into something
 Look at me
 I really alone with you
 I wake up feeling like my life's worth living
 Can't recall when I last felt that way
 Guess it must be all this love you're giving
 Never knew never knew it could be like this

But I guess

Some hearts
 They just get all the right breaks
 Some hearts have the stars on their side
 Some hearts,
 They just have it so easy
 Some hearts just get lucky sometimes
 Some hearts just get lucky sometimes

(D A G C)

Now who'd have thought someone like you could love me
 You're the last thing my heart expected
 Who'd have thought I'd ever find somebody
 Someone who someone who makes me feel

like this
 Well I guess
 Some hearts
 They just get all the right breaks
 Some hearts have the stars on their side
 Some hearts,
 They just have it so easy
 Some hearts just get lucky sometimes
 Some hearts just get lucky...

Bridge: (slow)

...sometimes
 Oooh oooh...Even hearts like mine
 Get lucky, lucky sometimes (pause)
 Even hearts like mine...Oooh-hoooo
 Some hearts
 They just get all the right breaks
 Some hearts have the stars on their side
 Some hearts,
 They just have it so easy
 Some hearts just get lucky sometimes
 Some hearts just get lucky
 Sometimes? Ooohhoooo
