

Cartho - Devil Looks So Hot

Tom: D

m
I know

Am
What you hide underneath your eyes

C
I know

Em
Your body can start a fire

Dm
I know

Am
When you're lying to me

C
And I know

Em
You think I believe

Dm
There's blood in your hands
Lost words on your lips

Am
The way you walk through the door
Without your clothes for me

C
There's an ocean in your eyes
Your curves are a paradise

Em
But all this beauty can kill me tonight

Dm
Burn me with your fire

Am
When you smile ignite my thoughts

C
They can judge me by my desire

Em
But the devil looks so hot

Dm
Lock me in your prison

Am
And whisper to me: You got caught

C
Maybe this is an illusion

Em
But the devil looks so hot

Dm
You got caught

C
Looks so hot

Dm
I know

Am
What we had was a lie

C
And it's not worth

Em
Fighting a losing fight

Dm
I know

Am
You're some kind of psychopath

C

But I like the way you lick all my body

Em
With your hands on my hair

Dm
There's blood in your hands
Lost words on your lips

Am
The way you walk through the door
Without your clothes for me

C
There's an ocean in your eyes
Your curves are a paradise

Em
But all this beauty can kill me tonight

C

Em
But the devil looks so hot

Dm
Lock me in your prison

Am
And whisper to me: You got caught

C
Maybe this is an illusion

Em
But the devil looks so hot

Dm
You take me to hell

Am
You cast me your spell

C
I think I'm not feeling very well

Em
Baby you're taking me to hell

Dm
You take me to hell

You cast me your spell
