

Cartola - O Mundo É Um Moinho

tom:

Intro: Ebm D
Bm E Dbm C
E7 A G7

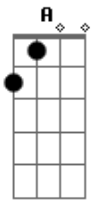

Ainda é ce do amor
Mal começastes a conhecer a vida
Já anuncias a hora da partida
Sem saber mesmo o rumo que iras tomar

Preste atenção querida
Embora eu saiba que estás resolvida
Em cada esquina cai um pouco a sua vida

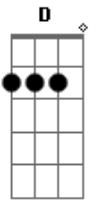

Em pouco tempo não serás mais o que és

Ouça-me bem amor
Preste atenção que o mundo é um moinho
Vai triturar teus sonhos tão mesquinhos
Vai reduzir as ilusões à pó
Preste atenção querida
De cada amor tu herdarás só o cinismo
Quando notares que estás à beira do abismo
Abismo que cavastes a teus pés
