

# Cartola - O Mundo É Um Moinho

Tom: E

OBS: Esta versão é baseada no próprio cartola tocando violão para seu pai, um vídeo que tem no Youtube. Ele acrescenta mais detalhes que se fosse colocar em cifras ficaria impraticável, mas a base é essa.

Ainda é cedo amor, mal começaste a conhecer a vida

Já anuncia a hora de partida

Sem saber mesmo o rumo que irás tomar

Presta atenção, querida

Embora eu saiba que estás resolvida

Em cada esquina cai um pouco a tua vida

E em pouco tempo não serás mais o que és

Ouçá-me bem, amor

Preste atenção, o mundo é um moinho

Vai triturar teus sonhos tão mesquinhos

Vai reduzir as ilusões a pó

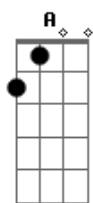

Preste atenção, querida

De cada amor tu herdarás só o cinismo

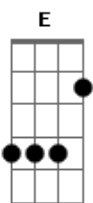

Quando notares estás à beira do abismo

Abismo que cavastes com teus pés
