 Bb7 G7 Cm

Habitada por gente simples e tão pobre

Que só tem o sol que todos cobre

Como podes, Mangueira, cantar?

Pois então saiba que não desejamos mais nada

A noite, a lua prateada

Silenciosa ouve as nossas canções

Tem lá no alto um cruzeiro

Onde fazemos nossas orações

E temos orgulho de ser os primeiros campeões

(Bb7)

Eu digo e afirmo que a felicidade aqui mora

E as outras escolas até choram

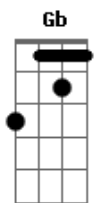

Invejando a sua posição

Minha Mangueira da sala de recepção

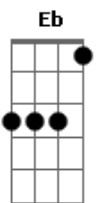

Aqui se abraça o inimigo

Como se fosse um irmão
